Many times I've tried to tell you
Many times I've cried alone
Always I'm surprised how well you
Cut my feelings to the bone

Don't want to leave you really
I've invested too much time
To give you up that easy
To the doubts that complicate your mind

We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen
under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together

We belong

Maybe it's a sign of the weakness
When I don't know what to say
Maybe I just wouldn't know
What to do with my strength anyway

Have we become a habit?
Do we distort the facts?
Now there's no looking forward
Now there's no turning back
When you say

We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen
under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together

We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen
under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together

We belong, belong, belong
