

Candice Michelle "What Love Is"

Visit "[What Love Is](#)" on MotoLyrics.com

Let me show you what love is.
Let me show you how to move your body.
Let me show you how to make me crazy.
Too much loving never hurt nobody.

No, it never hurt nobody. (No)

Let me show you what love is.
Let me show you how to move your body.
Let me show you how to make me crazy.
Too much loving never hurt nobody. (No)

All eyes on me, every time I step in the room.
Boys be going crazy, they don't know what to do.
I feel your stares on my thighs, it's no surprise.
I got you standing at attention, so let it rise.
See the curves, see the clothes, see the jewels and all,
Stop whatever you were doing cause I made you stall.
And I know what's on your mind, cause your drooling
now.
You wanna know how I'm the baddest, let me show you
how.

Let me show you what love is.
Let me show you how to move your body.
Let me show you how to make me crazy.
Too much loving never hurt nobody.

It never hurt nobody.

Let me show you what love is.
Let me show you how to move your body.
Let me show you how to make me crazy.
Too much loving never hurt nobody.

Yeah, you want to take me, but don't even try.
You can look but don't touch what's between my thighs.
When I move it all around, I can see you sweat.
You keep reaching for a body there's no way you can
get.
I see the wolf in you, when I touch my toes.
I got bedroom secrets nobody knows.

So you could wish all you wanna.
Can't get me under the cover,
Though I know I make a damn good lover
I'm too expensive, my beauty is rare.
I make you beg like a dog, I don't even care
The answers to whatever you crave.
With this bomb ass I can make you my slave.
