If I were you
I would never let me go
If I were you
I would always love me so
If I were you

I can play your part in live
But I would surely want my way
I cannot think the way you think
But I would never go away
You can trust me when I say
That I will always be for real
You can always count on me
No matter how alone you feel

If I were you
I would never let me go
If I were you
I would always love me so
If I were you

I would neverÂ...
I would alwaysÂ...

I canÂ't tell you what to do
I can only hope for more
More decisions to be good
Like the way they were before
I canÂ't dream the things you dream
Â'Cause I would not know where to start
Live is never what it seems
When two souls are far apart

I donÂ't wanna know
How it feels to lose a friend
And if I were you
I would never leave again

Heeyyyyy
Haayayaya

If I were you

I would never let me go
If I were you
I would always love me so
If I were you

Nananana, If I were you
Nananana, If I were you
