You might think that we're not ready yet  
You might think that we should get a pet  
You might think  
But don't think  
Let's have a baby

I might think my hair's a little grey  
I might think I'll be too old to play  
Blue or pink  
Swim or sink  
Let's have a baby  
Ooh, baby

Sadie, Chloe, Sammy, or Maximilian  
Chillin' in a baby sack  
Sadie, Chloe, Sammy, or Maximilian  
Chillin' with a baby

They might say we just don't have the space  
They might say New York is not the place  
You don't say  
But I say  
Let's have a baby  
Ooh, baby

Sadie, Chloe, Sammy, or Maximilian  
Chillin' in a baby sack  
Sadie, Chloe, Sammy, or Maximilian  
Chillin' with a baby

Sadie, Chloe, Sammy, or Max  
Chillin' in a baby sack  
Tristan, Evan, Lily, Zo?, or Jack  
Chillin' in a baby sack
