[unknown singer] You can be my Candymannnnn  
Ohhhhhhhhhhhhhhhhh, ooooooh Cause I really know you  
can Ohhhhhh-ohhh-ohhh-ohh-ohh-ohhhhhh yeah, yeah  
Be my, be my Candymannnnn Yeah-  
ahhhhhhhhhhhhhhhhh [Chorus: unknown singer] You  
can be my Candymannnnn Whoahhhoahohhhhhhhhh  
Ooooh, cause I really know you can [Candyman] The  
rhymes I write, never bite, never borrowin And as they  
sell gain a female followin Charmin like Charmin  
irresistable to squeeze me And I'm like an egg you can  
say I'm over easy Cause I'm not the type all hype no  
action And while I'm waxin, there's no askin for more,  
cause I'm like a kid in a candy store Do me baby like I  
never been did before [Chorus] w/ ad libs {\*scratched  
4X: "Understand I'm the Candyman, cause I'm no  
sucker"\*} [Candyman] I make a million hearts break,  
give or take a few But make no mistake on a date I'll  
relate to you This is what they can do eliminate a card  
or two Winter, spring, summer, I'll fall for you Soothe  
you make your move, don't disturb this groove I'll show  
and prove how smooth I deliver Make you quiver, shake  
and shiver in your boots, and Candyman told you the  
truth [Chorus] w/ ad libs [Candyman] Ain't no shame in  
my game when I flow at this See I'm dope as dope can  
get, she thought she my vocalist No one can make a hit  
quite like this And for that simple fact I deserve a fat  
kiss You can't resist the craze of somethin so tasty  
Sometimes it amazes me, when you have to face me  
You won't have to chase me cause basically, here I  
stand And I'll be your Candyman [singer] I want you to  
be be my sugar, be my sugar daddy Be my  
candymannnnnnnnn Be my sugar, be my sugar daddy I  
want you to be Be my sugar, be my sugar daddy Be my  
candymannnnnnnnn Be my sugar, be my sugar daddy  
baby Oahhhhoahh-oahhh-ohhhhhh, yeah yeah
