I've been waiting for a thousand days  
Sittin' waiting for the sunshine  
And if it comes along it won't bother me  
I'll be standing in the rain  
Standing in the rain

Maybe you should come along with me  
Cause I don't wanna step around you  
And if you really think that all I'm ever gonna be  
Is standing in the rain  
Standing in rain again

But someone  
But someone comes along and says my best ain't good  
Enough  
Who the hell are you to say to me that everything I do  
Is wrong  
And I wouldn't know what's going on

I don't know where I'm supposed to be  
Maybe you could come and tell me  
And if I'm not at home  
You know where I'll be  
I'll be standing in the rain  
Standing in the rain again

But someone  
But someone comes along and says my best ain't good  
Enough  
Who the hell are you to say to me that everything I do  
Is wrong  
And I wouldn't know what's going on

I thought you'd like to know  
I've been feeling kinda low  
This shouldn't change your mind  
Change your mind  
That's all I ever wanted from you  
You know that's all that I wanted from you

Standing in the rain  
Standing in the rain again

But someone  
But someone comes along and says my best ain't good  
Enough  
Who the hell are you to say to me that everything I do  
Is wrong  
And I wouldn't know what's going on  
But I'm feeling like I don't belong  
And I really wanna sing along  
And I really wanna sing along  
I really wanna sing along
