Invade my soul and sick my mind  
A cool kiss of death in her mouth

Hurt neck gory Evil take her  
Human life Begin the caress with brutality

Aggressions and bites  
Disponents souls and screams  
Screams of pain in all my mind

Another victim Prepare to penetration

I open her legs Her clitoris expose

Begin to penetrate  
My hand in her vagina

Brutal I getting and take her soul  
I'm the living corpse, master of agony

I'm the living corpse, prepare to ejaculate  
Screams Sensation of empty in her body  
Your soul is mine, BRUTAL CLIMAX
