[Chorus: Mr. Sancho]

Califa Thugs.....

Califa Thugs be rollin rollin

[Youngster]

Dropped out with the double pump

Comin at you with the Krazie Bone

Gotta be the sickest little rapper

With the rhymes and the bigger team

Never question the way Richie rolls

Can't you see, eat a fat dick you hoe

We still gonna travel you can't stop us

Doin what the shit we wanna do

With my bullets in your spine

Fuck a bitch or two

Be the streets thats comin at you

Better watch your dome

Cause the bicthes jackin be mean

So once again it's on

It's the Youngster comin at you

With the visions of a double drop of crack

Layin bustas on thier backs

Just bleedin for survival

It's the mothafuckin Lil Youngster

Comin at your with your mothafuckin rival

Plus the 5-0 is a no-no fuck the po-po

And I know so

As I'm cruisin down with my lo-lo

With the locs on my kid

Pickin up a check with what's the name

On it

[Chorus]

[2x]

[Mr. Sancho]

Hollow point valas

64 Impalas

Hienas wanna call us

Cause we be the ballas

Lookin at you through the tint of my lids

I don't get intimidated
Even when you're with your friends
And you begin to disappear
Cause you know what
You're never gonna reappear
Cause you gotta
Put your life in gear
Gotta make it real clear
Get intoxicated so you won't be able to steer
Crusin, smilin down the boulevard
With the hienas always wildin
Got the cuete ready with the safety off
That's a warnin for you haters
Don't piss me off
Hittin switches on your playa hatin bitches
Fallin to the ground now that ass is dead
Rollin on D's while we rollin another dub
Come and get high with these Califa Thugs

[Chorus]

[Silencer]

Silencer.... original
Enemies lay dead with the bullet holes
Ain't nobody in the world gon takes us out
Can't you see we don't fuck around
Baggy pants creased up with the locs
San Diego West Coast
Makin money all day we don't stop
Hit the switches to make it hop
Pelones smokin marijuana
In the 6-3 Impala
I won't never ever trust no bitches
And I leave my enemies with stiches
This is the way it goes
Silencer from the 19 0 4
Silencer's your Peloncito
And I like it when you call me papacito

[Chorus]
