life is but a dream  
life is but a dream

2.

I make the air fall apart  
around me  
now as the petals are no more  
a corroding, shrinking stalk remains  
bereft of his blooms  
and the ultimate cruelty of loves pinions  
beset his appearance  
beset his appearance

no king could replenish his state  
now browning, sinking, dying  
a thousands deaths  
a thousands deaths  
a thousands deaths

3.

terry sat up  
and hugged the army surplus bag  
around his skinny waist  
it was cold  
and the person beside him had faded badly  
legs apart his eyes lit up  
the sky's gone out- the sky, the sky-  
the sky's gone out
