[Incomprehensible]

Man who was mortally wounded by war
Kept on fighting
Man who was cut to the quick by love
He kept on loving
Man who was mercilessly tortured by thoughts
He kept on thinking
Man who was crippled with concern
He kept on caring

Hair of the dog
Hair of the dog
Hair of the dog that turned
Hair of the dog

Man whose eyes were sore from obscenities
He kept on looking
Man whose heart bled killed by compassion
He kept on feeling
Man whose legs buckled under exertion
He kept on running
The man whose ears rang with the sound of his own
name
He kept on listening

Hair of the dog
Hair of the dog
Hair of the dog that turned
Hair of the dog

Hair of the dog
Hair of the dog
Hair of the dog
Dog
