Overshadowed by her sister, pretty girl would scream  
King volcano gave me numbers, king volcano is clean

Lonely people burn like candles  
Only we, we are clean  
Lonely people burn like candles  
Only we, we are clean

Overshadowed by her sister, pretty girl would scream  
King volcano gave me numbers, king volcano is clean

Lonely people burn like candles  
Only we, we are clean  
Lonely people burn like candles  
Only we, we are clean

King volcano gave me numbers, king volcano is clean  
King volcano gave me numbers, king volcano is clean  
King volcano gave me numbers, king volcano is clean  
King volcano gave me numbers, king volcano is clean
