Following the silent hedges  
Needing some other kind of madness  
Looking into purple eyes  
Sadness at the corners  
Works of art with a minimum of steel

Pure sensation  
The beautiful down grade  
Going to hell again  
Going to hell again

Self confidence leaks  
From a thousand wounds  
Faults of civilizations  
Burning the private paradise of dreams  
Minus hands of the electric clock  
Clock, clock, clock

What happens when the intoxication  
Of success has evaporated?  
Following the silent hedges  
Following the silent hedges  
Going to hell again

Pure sensation  
The beautiful down grade  
Going to hell again  
Going to hell again  
Again, again, again, again
