They all wanna be something better
A better singer
A better actor
Better job

Better money
Better get her
Better lover
Better not

Too much luck
Too much conceit
Give me one religion
It's too much
too much passion, information

Too much selfish
Too much fake

Too much computer
Too much to take
It's too much

Too much effort
Too much pig
Too much control, control
It's too much

They all wanna be something better
A better singer
A better actor
Better job

Better money
Better get her
Better lover
Better not

Really, a better human
It's too much
It's too much
Ah yeah, ah yeah
