If you are my friend we can drink in the afternoon,  
That's cool  
If you are my friend you can clean my house if you  
want  
Or only if we had a fight. Yeah!  
If you are my friend you can sharpen my things with  
your teeth,  
That's so sweet  
If you are my friend we can raise the Jamaican flag,  
So we can reggae all night Yeah!

Chorus:

Let's Reggae all night Yeah!  
You are so fast! I'm so slow, because...  
That's the way I like to roll

If you are my friend you can make dance beats for me  
Just for me  
If you are my friend you can shake my milk and drink  
And I can do the same for you, Yeah!  
If you are my friend you can break my back in half  
If you are my friend we can raise the Jamaican flag,  
So we can reggae all night Yeah!

Chorus:

Let's Reggae all night Yeah!  
You are so fast! I'm so slow, because...  
That's the way I like to roll (x2)  
Let's Reggae all night Yeah!

Won't you come and save a seat for me?  
You know this  
We'll have fun you are the only one I think.  
You know this  
I'm so happy you brought it to me  
Finally!  
We'll have fun you are the only one I think  
You know this

If you are my friend we can drink in the afternoon  
If you are my friend you can clean my house if you

want  
If you are my friend you can sharpen my things with  
your teeth  
If you are my friend we can raise the Jamaican flag,  
So we can reggae all night Yeah!
