Hello, this is Brazil Hilton
I, I went to the beach
The bitch was so hot
She came to me and said
"Do you like the beach, bitch?"
I said back
"I wanna take you home, bitch
'Cause I wanna treat you good, bitch
What do you think of it, bitch?"

The bitch said yeah
The bitch said yeah
The bitch said yeah, yeah, yeah, yeah, yeah
The bitch said yeah
The bitch said yeah
The bitch said yeah, yeah, yeah, yeah, yeah

I wanna be
Your summer Hilton time
With five diamonds stars
Like your dad's biggest car
I wanna go
To the Hiltons all over the world
And I, I wanna be
Just like you, bitch

The bitch said yeah
The bitch said yeah
The bitch said yeah, yeah, yeah, yeah, yeah
The bitch said yeah
The bitch said yeah
The bitch said oh yeah, hell yeah, damn yeah

I, I went to the beach
The bitch was so hot
She came to me and said
"Do you like the beach, bitch?
Do you like the beach, bitch?
Do you like the beach, bitch?"
