I wish I would die my hair pink
Put on black lipstick
Cause I don't give a sh*t

I wish I would die my hair pink
Put on black lipstick
No one would give a sh*t
Short shorts, short skirts
Flower tops, denim shirts
In the big city, nothing hurts, nothing hurts

When I was a little girl I wanted to be a citizen of the world
Being busy with my job and my gay friends
Laughin' and drinkin' with my one night stands
Why are you looking as if I was abnormal?
Oh yes, you're right, I've never tried to be normal
I just wanna walk around free on my own pace
I pay my bills with the money I make!

I wish I would die my hair pink
Put on black lipstick
No one would give a sh*t
Short shorts, short skirts
Flower tops, denim shirts
In the big city, nothing hurts, nothing hurts

When I was 13, my brother moved to New York City
I dreamt so much about being there... and live the life
I didn't have yet!
Why are you looking as if I was abnormal?
Oh yes, you're right, I've never tried to be normal
I just wanna walk around free on my own pace
I pay my bills with the money I make!

I wish I would die my hair pink
Put on black lipstick
No one would give a sh*t
Short shorts, short skirts
Flower tops, denim shirts

In the big city, nothing hurts, nothing hurts

"Hey city grrrl... yeah, yeah you city grrrl
Hot on heels, don't how this tide will turn
You live your life to erase the lines of every lesson
learned
So put your lipstick on all over your teeth
Cuz you're a natural disaster, no one's gonna cheat
You swear? Yeah, I swear. Just get in the groovy.
Don't live your life grrrl... unless it's just like a movie."

When I was 16, I finally moved to the big city!
My dreams were screaming at my face:
Heads up girl, you can rule this place!
Can rule this place, can rule this place
Heads up girl, you can rule this place!
Can rule this place, can rule this place
Heads up girl, you can rule this place!
