We off the block this year  
Went from a little to a lot this year  
Everybody mad at the rocks that I wear  
I know where I'm going and I know where I'm from  
You hear LOX in your ear  
Yea, we're at the airport out decline from the block  
Where everybody air-forced-out  
With a new white Tee, you fresh  
Nothin' phony with us, make the money,  
Get the mansion, bring the homies with us

I wanna be your J-Lo (4X)

Don't be fooled by the rocks that I got  
I'm still, I'm still Jenny from the block  
Used to have a little, now I have a lot  
No matter where I go, I used to know where I came  
from

I wanna be your J-Lo (2x)

Don't be fooled by the rocks that I got  
I'm still, I'm still Jenny from the block  
Used to have a little, now I have a lot  
No matter where I go, I used to know where I came  
from

I wanna be your J-Lo (4x)

Don't be fooled by the rocks that I got  
I'm still, I'm still Jenny from the block  
Used to have a little, now I have a lot  
No matter where I go, I used to know where I came  
from  
(From the Bronx! )
