You're so terrific, ooh  
You never done it like that  
You've never been this way before  
To be specific, ooh  
You never done it like that  
Who went and opened up the door?  
Oh, my lips are burnin', yeah  
You never done it like that  
I thought the flame was dead and gone  
Oh, but you've been learnin', yeah  
You never done it like that  
How long has this been goin' on?  
Ooh, who's been reachin' you?  
Hey, li'l old man, I wanna shake your hand  
One kiss from you and I feel just like Columbus  
I did discover you're some kind of lover  
My mind is blowin', ooh  
You never done it like that  
You got me climbin' up the walls  
Ooh, my love is growin', yeah  
You never done it like that

You know you made me ten feet tall

Ooh, what you're doin'?

Ooh, what you're doin'?

Ooh, what you're doin'?

You never done it, you never done it

You never done it like that

Ooh, what you're doin'?

Yeah, what you're doin'?

What you're doin'?

You never done it, you never done it

You never done it like that

Oh, what a feelin', ooh

You never done it like that

Not since I can remember when

I'm on the ceilin', yeah

You never done it like that

Looks like we got it on again

Ooh, what you're doin'?

Yeah, what you're doin'?

What you're doin'?

You never done it, you never done it

You never done it like that

Ooh, what you're doin'?

Yeah, what you're doin'?

What you're doin'?

You never done it, you never done it

You never done it like that

Ooh, what you're doin'?

Yeah, what you're doin'?

What you're doin'?

You never done it, you never done it

You never done it like that

Ooh, what you're doin'?

Yeah, what you're doin'?

What you're doin'?

You never done it, you never done it

You never done it like that

Ooh, what you do?

Ooh, what you do?

Ooh, what you do?

Ooh, what you do?

Ooh, what you do?

Ooh, what you do?

You never done it, you never done it

You never done it like that
