You know, you could
Lighten up your night
You know, you could
Win the fight

You want, to find
The right way to go
When you, don't see
Where's the line you drawn?

And when, you feel
Love is getting big
And when, your heart
Is beating much too fast

You turn, your back
You don't want to stay
The fear, you feel
Makes you run away

Don't say you can't
Don't leave me waiting here
Don't say you can't
Don't leave me waiting here
Won't you tell me, now?

(Oh, oh, oh, oh, oh)
Please don't stay
If you don't love me
(Oh, oh, oh, oh, oh)
Please don't stay
If you won't hold me tonight

(Oh, oh, oh, oh, oh)
Please don't stay
If you don't love me
(Oh, oh, oh, oh, oh)
Please don't stay
If you won't hold me tonight

You know, I could
Lighten up my night

You know, I could
Win the fight

If you, could see
What I want to see
Your life, with me
Not just fantasy

Don't say you can't
Don't leave me waiting here
Don't say you can't
Don't leave me waiting here
Won't you tell me, now?
