catholic badboy in a goodboy suit.
central illinois 1962.
red angry already.
hasn't even met me yet.
just do what's just to do.
gonna gotta go on and get a lotta.
what i'm doing here. what i'm doing.
what i am. disconnected, locked out.
a fuzzy melted chocolate bar in your pocket.
gonna gotta go on and get a lotta.
what i'm doing here. what i'm doing. what i am.
i inherited hard boiled eyes.
it's like you finally realize how lucky you really are to
have had a few great heartbreaks.
