She is out 12 I am .. do my work and I will still try ..
If you want me I am crazy .. that5' my new hobby
I will be .. with the knife , to the fame
.. I stay close to the pain on the corner like a mail box
.. like it's a bad chick .. I am all the way good
I don't need no cash from the block ..
I am all the way good
I am all the way good ..
Know about me
I am all the way hood
I am all the way hood
,

Most niggers .. I even got .. niggers .. blood
Out of a .. my nigger never ..
I got a bitch , blow habit ,
I got guns for .. lay it down ,

Thanks to feel
