(You are all I see  
you knock me off my feet, boy  
I can't believe  
knock me off my feet)

I don't need him  
I can leave him  
But I don't, I'm playing cool  
He don't own me  
I'm in control here  
So who am I trying to fool

Yeah, I know I'm in to deep  
But I can't help it if I'm weak  
Your love lifts me off the ground  
and leaves me spinning around and around

You are all I see  
You're all I need  
You knock me off my feet, boy  
I can't believe  
You're like a dream  
You knock me off my feet

Mm, I know, I should take it slow  
But I can't get him off of my mind  
Whatever I do, wherever I go  
I think about him all of the time

Yeah, I know I'm in to deep

But I can't help it if I'm weak  
Your love lifts me off the ground  
and leaves me spinning around and around

You are all I see  
You're all I need  
You knock me off my feet, boy  
I can't believe  
You're like a dream  
You knock me off my feet

And with every touch I feel  
And with every kiss you steel  
Leaves me spinning around and around and around  
and around

You are all I see  
You're all I need  
You knock me off my feet, boy  
I can't believe  
You're like a dream  
You knock me off my feet

You are all I see  
You're all I need  
You knock me off my feet, boy  
I can't believe  
You're like a dream  
You knock me off my feet
