And it seemed
You were on your own
I was sure
But I think I denied it anyway
And it seemed
You were on your own
I was sure
But I think I denied it anyway
It seems that I need you
It seems that I do
It seems I could call you
It seems that I could
And I am so much closer now
I will wait for the right way to tell you what I feel

It seems that I need you
It seems that I do

It seems I could call you
It seems that I could
Wish I could tell you what it's like
I haven't been here in many years
I never thought of you like this
I haven't been here in many years
It seems that I need you
It seems that I do
It seems I could call you
It seems that I could
It seems that I need you
It seems that I do
It seems I could call you
It seems that I could
