So it's another way
I'll take it back
I always do
So it's another way
I'll take it back
I always do
I will be anything without you
I could turn or be in someone else
And almost everything that needs to will be done
I will be anything without you
I could turn or be in someone else
And almost everything that needs to will be done
So it's another way
I'll take it back
I always do
So it's another way
I'll take it back
I always do
I will be anything without you
I could turn or be in someone else
And almost everything that needs to will be done

I will be anything without you
I could turn or be in someone else
And almost everything that needs to will be done
I turn out fading
It wasn't much to say
It wasn't much to say
I turn out fading
It wasn't much to say
It wasn't much to
I will be anything without you
I could turn or be in someone else
And almost everything that needs to will be done
I will be anything without you
I could turn or be in someone else
And almost everything that needs to will be done
So it's another way
I'll take it back
I always do
So it's another way
I'll take it back

I always do
So it's another way
I'll take it back
I always do
So it's another way
I'll take it back
I always do
