I will do it again
I will capture my pride
I already lost it somehow
Im not strong enough now
To behave like this

What about if i fail
If i'm gonna be down
What i have to believe
I'm better off soon
I gotta wake up soon
I gotta see through this
I gotta wake up soon
'cause what did i do wrong
'cause i'm holding on
To someone who's gone
(gotta wake up soon
Gotta see through this)

I will do it again
I will catch up myself
I'm not sure i'll be back
I'm not strong enough now
To go on like this

I'll be there where i'm safe

When i'm ready and done
I'll be there just to say
"i'm sorry i went"

I'm spinning off to let go
I want something more
I got something that i have to look through once again
I gotta wake up soon
I gotta see through this
I gotta wake up soon
I do something wrong
I gotta wake up soon
I gotta see through this
I gotta wake up soon
'cause what did i do wrong

'cause i'm holding on
To someone whos gone
'cause i'm holding on
To someone whos gone
(gotta wake up soon
Gotta wake up soon)
