? Something out of you
I think it's you that i see
I cannot continue if i'm not being seen
It's what i do
It's what i want to be formed
It's what i was
And what i've come to believe

It's taking me time to believe in this
I'm trying so hard to continue this
I'm giving it time so that i can see
But i'm better off here on my own right now

Wondering and trying hard to see where i am
I will have to do what's best for me
In spite of you
Instead of anything else
In spite of this
Instead of staying around

It's taking me time to believe in this
I'm trying so hard to continue this

I'm giving it time so that i can see
But i'm better off here on my own right now

I gotta do something
I gotta be someone
I gotta do something
I gotta be someone

It's taking me time to believe in this
I'm trying so hard to continue this
I'm giving it time so that i can see
But i'm better off here on my own right now

It's taking me time to believe in this
I'm trying so hard to continue this
I'm giving it time so that i can see
But i'm better off here on my own right now

I gotta do something

I gotta be someone
I gotta do something and
I gotta be someone
