Restless I am waiting for the moment I'll be gone again
I wish you will had something to talk about today me
and you
And you turn out to be a queen
Like a rock ? ? blow
So why don't you leave my backyard
There is so much I've heard
There is so much I've heard
There is so much I've heard

Take me home now make this yard (?)
Take me home now make this yard (?)
I wanna see you
Far away now
Like a rock ? ?
? ? sad I am ? more will I be
So why don't you leave my backyard

There is so much I've heard ...
Take me home now make this yard (?)...
