The summer sun sitting high in the sky
And love that's in everyone's eye
Now the waitin' the anticipating' is over
Over, over
You feel loose and get out in the sun
Summer's here and we're gonna have fun
Two weeks are past and at last
We can really feel free

chorus

And you can run in the sun
Having' fun with the one that you really love
Walk in the sand hand in hand
With the boy that you met on vacation
And on a warm summer night it's all right
When he says, baby I love you
Then boy oh boy you're enjoying'
That summerlove sensation

And you're right on the down of the sea
On the beach where the gang's gonna be
We can stay there all day
Until the fall is over over over
In the evening he's waiting for you
And you go to the beach barbecue
And you'll all have a ball till dawn
