Please, please, please
Tell me like it is
Please, please, please
This is the way to... peace

I just have to tell you what i do prefer
And if it bothers you just let me know
And if weÂ're kind to one another
and if we are sincere letÂ's make this clear
Nothing could go wrong
How so many times
I have been asking myself
if itÂ's time to leave it if iÂ'm strong
Always asking and wishing
begging you to tell me like it is
and if something itÂ's wrong

This is the way to freedom
This is the way, this is the way to peace
This is the way to freedom
This is the way to love
This is the way to freedom

I just got to tell what I have in mind
and if it bothers you just let me know
Do me and IÂ'll be frustrated when you talk
Cause it is known
No comunication doesnÂ't let me in just empty words
Nothing has been done
Sure you have been tell me
about your life
about your fears
No action is taking

This is the way to freedom
This is the way, this is the way to peace
This is the way to freedom
This is the way to love

I just got to tell you what I do prefer
Just let me know
Always and asking, wishing you to tell me

If something it's wrong
