I can tell by the way you move your hips your  
something baby  
Your bringin me back to 1974  
I follow you down to the ground where the family man  
is runnin his train  
We... See Morere going to a place where night never  
falls

All we fancy, This thing called dancing  
Come lady, tell me your name, call me Gypsy Jones  
Come lady, show me the way, follow Gypsy Jones  
Woah

I could swear your the girl from the flick where Travolta  
got his fame  
This club is the only place thats stayin alive  
Whos the man at the table with the polyester and the  
gold chain?  
I swear Ive seen him before in a different medium

Walk into the disco ball babe  
Right into another decade  
Eric Claptons singin cocaine  
And this night is well on its way!

Come lady, tell me your name, call me Gypsy Jones  
Come lady, show me the way, follow Gypsy Jones  
Woah

Come lady, tell me your name, call me Gypsy Jones
