Red, Blue, Green lights,
Flicker undercover,
Miss me like no other,
Miss me like no other,
Blackout trailblazing,
Jokin' underwater,
Miss me like no other,
Miss me like no other,

We get a little lonesome,
We get a little lone sometimes,
And what you say, just fades away,
Get down on low day,
Get down on low day,
Low, low, low, low,low,

Low, low, low, low,low,
Low, low, low, low,low,

Black dress gang or rue,
She don't even bother,
Miss me like no other,
Miss me like no other,
Time lay back on the sea,
Gonna sail the world,
While we're asleep,

We get a little lonesome,
We get a little lone sometimes,
And what you say, just fades away,
Get down on lowday,
Get down on lowday,

And what you say, just fades away,
Get down on lowday,
Get down on lowday,
Low, low, low, low,low,
Low, low, low, low,low,

I get mine,
Little coochie little mamma,
Ain't worth my time,

We get a little lonesome,
We get a little lone sometimes,
And what you say, just fades away,
Get down on lowday,
Get down on lowday,

And what you say, just fades away,
Get down on lowday,
Get down on lowday,
And what you say, just fades away,
Get down on lowday,
Get down on lowday,
And what you say, just fades away,
Get down on lowday,
Get down on lowday,

Low, low, low, low, low
