(It could be lonely, this life I lead)  
(It could be lonely, this life I lead)

Wish I could reach out to you  
And you would take my hand  
I wish you could understand  
(It could be lonely, this life I lead)  
I wish you could understand  
(It could be lonely, this life I lead)

Is this really how it has to be?  
Superficial you and me  
Is this really how we mean to go on?  
Say hello, say goodbye now I've got to go

(Chorus)  
Oh yeah, are you happy to see me?  
Oh yeah, now I'm back again, baby  
Oh yeah, did you miss me lately?  
Oh yeah (Oh yeah) I'm back again

My head got heavy, boy  
And before eight times  
I wish you could understand  
(What it is to be me)

I wish you could understand  
(What it is to be me)

Is this really how it has to be?  
Superficial you and me  
Are we really trying to let go?  
Say hello, say goodbye now I'm on my way

(Repeat Chorus)

(It could be lonely, this life I lead)  
(It could be lonely to be me)

Oh yeah, (Oh yeah) are you happy to see me?  
Oh yeah, now I'm back again, baby  
Oh yeah, (Oh yeah) did you miss me lately?

Oh yeah (Oh yeah) I'm back again  
Oh yeah, (Oh yeah) are you happy to see me?  
Oh yeah, (Oh yeah) now I'm back again, baby  
Oh yeah, (Oh yeah) did you miss me lately?  
Oh yeah (Oh yeah) I'm back again

(Oh yeah)  
I'm back again  
(Repeat to fade)
