Second by second
Minute by minute
Iâ€™ve been missing you

Hour by hour
Knocked off of my tower
Iâ€™ve been missing you

Three hundred, sixty five days of a broken heart
Twelve full moons just wondering where you are
And Iâ€™ve paid for what Iâ€™ve done
And Iâ€™ve made it through
It just took once around the sun
To get over you

Letter by letter
never got better
when I missing you

stuck in my shadow
never dreamed of tomorrow
When I was missing you

Three hundred, sixty five days of a broken heart
(broken heart)
Twelve full moons just wondering where you are (where
you are)
And Iâ€™ve paid for what Iâ€™ve done
And Iâ€™ve made it through

It just took once around the sun
To get over you

At the time, I treated you bad
before all the tears
I never knew what I had
I was wrong; I just have to say
Iâ€™ve finally moved on
so I wonâ€™t miss you today

Second by second
Minute by minute

Iâ€™ve been missing you

Three hundred, sixty five days of a broken heart
(broken heart)

Twelve full moons just wondering where you are (where
you are)

And Iâ€™ve paid for what Iâ€™ve done

And Iâ€™ve made it through

It just took once around the sun

To get over you

Once around the sun

Once around the sun

Once around the sun

it just took once around the sun to get over you
