The staring crowd is standing  
Their eyes an empty gaze  
Don't know what they're waiting for  
But breeding day by day  
Millions gonna follow  
Into the promised land  
Ignorant and fed to death  
I don't wanna face disgrace

There's hungry eyes watchin' the sun go down  
Can't believe they're gonna make it through the dawn  
The world doesn't end behind the wire fence  
The world doesn't end  
Behind the wire fence

Today I saw a black man  
Crying on TV  
In his arms his dying son  
Jar of flies beneath  
Staring simply desperate  
Into my perfect world  
But ignorant and fed to death  
I don't dare to face disgrace

There's hungry eyes watchin' the sun go down  
Can't believe they're gonna make it through the dawn  
The world doesn't end behind the wire fence  
The world doesn't end  
Behind the wire fence

It's not a crime to be born  
You know life's for everyone  
But on this earth  
Something's fucking wrong  
Tear down the fence  
And put three worlds into one  
Put three worlds into one  
Put three worlds into one

There's hungry eyes watchin' the sun go down  
Can't believe they're gonna make it through the dawn  
The world doesn't end behind the wire fence

The world doesn't end  
Behind the wire fence
