Ooh, girl in my dreams

Girl in my dreams
Where are you
Girl in my dreams
I'm so blue

How I yearn
How I love you

If I could just
Hold your hand
Surely then you
Would understand

That it's you
I adore forever more

A love like mine
Is hard to find
It's wider
It's a raging flame

Although you won't
Hear my plea
That love is raging
Just the same

Girl in my dreams
I'm sad and blue
Girl in my dreams
So sad and blue

Can't go on, on
Without you
Girl in my dreams

Girl in my dreams
Girl in my dreams
(What can I do)
What can I do

(Girl in my dreams)
Girl in my dreams
(I'm so sad and blue)
So sad and blue

Can't go on, on
Without you
Girl in my dreams
Girl in my dreams
