Snakes on the brain...

Don't throw up signs that don't land planes

It's a risky game you don't want us to play

I hate the player and I hate the game, cuz it's nature's  
game

You've got to let it go, you've got to let it go,

All your fantasies will mess you up

Don't let the snakes coil up around your neck,

Before you land the plane, before you win the game

Snakes on the brain

Snakes on the brain

Snakes on the brain

Oh snakes on the brain...

Whoa I've got snakes on the brain

I've got snakes on the brain

I've got snakes on the brain

I've got snakes on the brain

Snakes on the brain

Snakes snakes snakes snakes on the brain

Snakes on the brain

Snakes snakes snakesesesess...

Can't see in front of my face

But, I looked into the eyes of Mars

I can tell you tales, I can show you signs

But don't ask me how to let it go

You've got to let it go, you've got to let it go

All your fantasies will fuck you up

Don't let the snakes coil up around your neck,

Before you land the plane, before you win the game

Snakes on the brain

I got snakes on the brain

I got snakes on the brain

I've got snakes on the brain

Snakes on the brain

I got snakes on the brain

Snakes on the brain

Snakes on the brain...
