Schoo be do aey, I got somethin' to say
Schoo be do I got to try to tell you
That I, I, I, I really love you, love you

Schoo be do aey, got to say it my way
It may not be fancy, I know
But I said it before and I'll say it again
And again and again and again

All of me loves all of you
And every little thing you do
All of me loves all of you
Tell me you do, do you love me too?

Sha la la lee, I'm happy to be
Sha la la loo to be with you
I'm saying that you, you, you
You really do it to me

Sha la la lo, I just want you to know
I mean every word that I say
Though I said it before, still I say it again
And again and again and again

All of me loves all of you
And every little thing you do
All of me loves all of you
Tell me you do, do you love me too?

You, me, you, me, you and me

All of me loves all of you
And every little thing you do
All of me loves all of you
Tell me you do
