Feel the air this night is for Romance,
Taste the wine La Belle Jeane let's dance,
On and On, the magic lingers on,
Through the night a memory when you're gone,
You are a lady, you dance like a dream at monmatre,
In the night when the lights are low,
Paris by moonlight, you shine out like starbright,
Jeane, Jeane, Jeane, Jeane

CHORUS

Oh La Na Na La Belle Jeane,
Silently spinning you dance the night away,
Oh La Na Na La Belle Jeane,

My love for you burning I need you more each day,
Jeane, Jeane, Jeane, Jeane,
Ah La Belle Jeane,
Jeane, Jeane, Jeane,
Ah Ah Ah Ah,

CHORUS

Oh La Na Na La Belle Jeane,
Silently spinning you dance the night away,
Oh La Na Na La Belle Jeane,
My love for you burning I need you more each day,
Jeane, Jeane, Jeane, Jeane,
Ah La Belle Jeane,
Jeane, Jeane, Jeane,
Ah Ah Ah Ah
