Maybe I'm a fool to love you
Baby I'm a fool to need you
Maybe I'm a fool to love you
Baby I'm a fool to want you

If love was just a game for fools to play
The in the end love will be mine
My heart will shine
I am just a clown, who wears a painted face to hide a
frown
Baby please don't bring me down
I know that

Maybe I'm fool to think you really care
Maybe I'm a fool to think you always will be there
I told you that I love you so
'Cos I thought you might like to know
Maybe I'm a fool to love you but I do

Maybe I'm a fool to love you
Baby I'm a fool to need you
Maybe I'm a fool to love you
Baby I'm a fool to want you

If dreams are what they say
Just nothing more than wishing
Then one day you will be mine
My heart will shine
I'm just a clown, when the circus leaves I'll still be round
Knockin' on your door
Can I love you any more

Maybe I'm a fool to think you really care
Maybe I'm a fool to think you always will be there
I told you that I love you so
'Cos I thought you might like to know
Maybe I'm a fool to love you but I do

Guitar solo

Maybe I'm a fool to think you really care
Maybe I'm a fool to think you always will be there

I told you that I love you so
'Cos I thought you might like to know
Maybe I'm a fool to love you but I do

Maybe I'm a fool to love you
Baby I'm a fool to need you
Maybe I'm a fool to love you
Baby I'm a fool to want you

Maybe I'm a fool to love you but I do
