Hey sister poet
dear brother poet too

These tears that words are
Make me wanna be with you

Cuz I need to spend my money
I'm a music makin' man

And no page can release it like this amplifier can

This is my rock and roll love letter to you

This is my rock and roll love letter to you

Gonna sign it
Gonna seal it
Gonna mail it away
Gonna mail it today

Dear Mama Papa hey your boy is doin' fine

And the energy you gave him keeps on tryin' to unwind

Cause I see an ancient rhythm in a man's genetic code

Gonna keep on rock and rollin' till my genes explode

This is my rock and roll love letter to you

This is my rock and roll love letter to you
Gonna sign it
Gonna seal it
Gonna mail it away
Gonna mail it today

(Music and Guitar Solo)

This is my rock and roll love letter to you

This is my rock and roll love letter to you

Gonna sign it
Gonna seal it
Gonna mail it away
Gonna mail it today

This is my rock and roll love letter to you

This is my rock and roll love letter to you

Gonna sign it
Gonna seal it
Mail it away
Gonna mail it today

Send me back one
Send me back one some day
