While the sun sittin' high in the sky
And the love that's in everyone's eye
Now the waitin', the anticipatin' is over - over - over -
over
Leave your books and get out in the sun
Summer's here and we're gonna have fun
Schooldays are past and at last you can really feel free

And you can run in the sun
Having fun with the one that you really love
Walk in the sand, hand in hand
With the boy that you've met on vacation
And on a warm summer night
It's alright when he says 'baby, I love you'
Then boy oh boy, you're enjoying that summer love
sensation

Hitch a ride and get down to the sea
On the beach where the gang's gonna be
We can stay there all day, still the fun isn't over - over -
over - over
In the evening he's waiting for you
And you go to the beach barbecue
And you all have a ball, dancin' on until dawn

Come on and run in the sun
Having fun with the one that you really love
Walk in the sand, hand in hand
With the boy that you've met on vacation
And on a warm summer night
It's alright when he says 'baby, I love you'
Then boy oh boy, you're enjoying that summer love
sensation
