When we walk down the street  
See the people who stop and stare  
and say "Haven't I seen that face  
somewhere a long time ago?"  
Wehn we walk down the street  
See the stranger who say  
"Why hi! Well how you doin' buddy,  
when you walked on by, I thought I'd say hello."  
They say: "Haven't I seen your face before?  
Weren't you the boy that used to live next door?  
Weren't you on television every  
night, haven't I seen you 'round?"

\*We don't wanna be a yesterday's hero  
A Yesterday's hero  
That's all we'll be  
We don't wanna be a yesterday's hero  
A yesterday's hero  
That's all that we're gonna be  
If we don't get together  
Make a new plan and be constantly better  
All that we'll be if we don't get it together now.

When we walk down the street  
If you know me than pass me by  
If you wonder what I'm doin'  
Don't ask me why I don't read the news  
When we walk down the street  
If you're sorry then don't feel bad  
If you follow my story  
I'm just as glad you ain't in my shoes  
Because haven't you seen my face before  
Yes I was the boy who used to live next door  
Yes I was on television every night  
Haven't you seen me 'round?

spoken: Ladies and gentlemen,  
The Bay City Rollers....  
everybody move back  
will you go, will you move back...back!"

We don't wanna be yesterday's hero,

yesterday's hero,  
No, no  
We don't wanna be yesterday's hero,  
Yesterday's hero,  
No, no  
repeat and fade
