Got (a letter) up this morning how do you reckon it
read?

Red blue and green whoooo all through my head
Licked the stamps saw a movie dropped the stamp
I ain't got no blues no more I said
Put me up thinkin' a postman's groovy
I ain't I ain't got the blues no more I said.....

Well send me with a letter lord drop me with a telegram
I said

My baby walked just like she did
Walking on hard-boiled eggs with a...she can steal
em....
I ain't blue o more I said
Lord one jumped up lord the other one quackin'
Yeah she got those great big drums sticking out
Whoooo
Big chicken legs beat when she walks flappin' down the
street where I live

Well she slippin' along easy like fried chicken
Grew sort of greasy easy hmmm...
Oh I ain't blue no more I ain't blue no more I said
Well she walked along crazy like kinda crazy
Sorta lazy sleazy cheesy you know what I mean I
said.....

Here the rest of the album plays until just after "Trust
Us", where this segment plays.

Ah Feel... (continued)

.....freight elevator operating them trashcans
Smackin' lips and saying "the food sure is good" I said
Around the corner up round the alley
half-shelled shoes a tapping golly golly
shaking like jelly like heaven heaven I said
Well they rolled around the corner turning up seven
come eleven
My lucky number lord I feel like I'm in heaven I said
Well I ...well I blink my eyes and I see that movie
Lord it's red blue and green

This last small segment comes at the very conclusion
of the album.

Ah Feel... (concluded)

I I ain't blue no more

Wooo it's like heaven I said I said
