Who do you think you're fooling
With these things you're doing
You're gonna start a scandal
burn that midnight candle
Now who do you think you're fooling
Honey it ain't me-oh, no!

You're as sweet as candy
Just as cute as candy
You don't think I know it
But you sure do show it
Now who do you think you're fooling
Baby it ain't me-no!
You don't understand girl
you're living in a mans world
You thought you couldn't stand me
Now you try to brand me
Now who do you think you're fooling
Honey it ain't me
Oh no it just ain't me No it can't be me Baby it ain't me
oh no it just can't be.....
