Zig zag wanderer, zig zag wanderer
Zig zag wanderer, zig zag wanderer
You can huff, you can puff
You'll never blow my house down
You can zig, you can zag
Whoa, I'm gonna stay, gonna stay around
Whoa, I'm gonna stay, gonna stay around

You can jump, you can holler
Never lose what I found
Heaven's free 'cept for a dollar
You can zig, you can zag
Whoa, I'm gonna stay, gonna stay around
Whoa, I'm gonna stay, gonna stay around

The zig zag wanderer had a zigzag child
Zig zag traveller for the mercy mile
Found his wheels and nature scene
Quenched his thirst, [unverified] way it never been
Zig zag wanderer, Zig zag wanderer

You can dance, you can prance
Freeze those timbers, drop some beams
Hide my shield, throw away my lance
Zig zag child, mercy mile
Zig zag dream, zig zag dream
Zig zag
