Well, shake it up, baby, now  
C'mon twist and shout  
C'mon, c'mon, c'mon, c'mon, baby, now  
Come on and work it on out

Well, you work it on out now  
You know you look so good  
You know you got me goin' now  
Just like I knew you would

Well, shake it up, baby, now  
C'mon twist and shout  
C'mon, c'mon, c'mon, c'mon, baby, now  
Come on and work it on out

You know you twist your little girl  
You know you twist so fine  
Come on and twist a little closer now  
And let me know that you're mine

Well, shake it up, baby, now  
C'mon twist and shout  
C'mon, c'mon, c'mon, c'mon, baby, now  
Come on and work it on out

You know you twist your little girl  
You know you twist so fine  
Come on and twist a little closer now  
And let me know that you're mine

Well, shake it, shake it, shake it, baby, now  
Well, shake it, shake it, shake it, baby, now  
Well, shake it, shake it, shake it, baby, now
