

Car Bomb "Bra-C-Ket"

Visit "[Bra-C-Ket](#)" on MotoLyrics.com

Xerox the duplicate take it from the source

Ket-bra base (stop it)

Bra-C-Ket (stop it)

Combine (they can't stop it)

Sai (stop it)

Complex numb (stop it)

Bers (they can't stop it)

I can't stop it

They Xerox off degenerates themselves.

Bated copy comes crawling for the answer

Re-paste

Un-dead ket-bra

Button your lip

Cut your fucking face off

Complexion

Staring at the bracket

Form a single line of projection

Get in line

Single file

Corn rows

A projection of momentum operators

Burst the base of empty bra-ket book
