Meta speak meta speak meta speak assent  
Meta speak meta spoke assert  
"Is a lie when preceded by its quote"  
Is a lie when preceded by its quote  
Isomorphic informant  
Crash alone meta know null  
Crawling away  
Patterns shift  
Polymorphic disguises  
The flesh from bone  
Meta known null  
Starting today patterns shift down  
Bring it all back  
Repeat the same sequence of polyrhythmic chant  
formations  
But in a different time bar  
Dead end gone to work  
Meta recursive knowledge lost  
Take your silence and get to work
