Can you tell one thing that you're forgetting?  
Your indecision is so upsetting  
You know I think you are so appealing  
But secretly I just had a feeling

You don't wanna be my lover  
No you don't wanna find another  
Can you just leave me?  
I gave you the excuse to leave

I don't know if this is how you worked before  
You break me down I still just want you more  
You have tried to fake making love it's still making me  
hot  
I'm not gonna stop till you tell me I'm not the one for  
you girl  
You don't know what you want

You don't wanna be my lover  
No you don't wanna find another  
Can you just leave me?  
I gave you the excuse to leave

You don't wanna be my lover  
No you don't wanna find another  
Can you just leave me?  
I gave you the excuse to leave  
I gave you the excuse to leave  
I gave you the excuse to leave
