

Car Party "Someone Like Me"

Is it the saint, or the sin?
Either way, it's trouble when they ignore who I am

This is who we are
This is who we are
This is who we are
This is who we are

Is it the guilt or the blame?
Either way it's trouble when they ignore who I am

Yeah if you want me to, I'll lie through my teeth
Pressed on your chest are the hands of someone like
me
Yeah if you want me to, I'll want you too

Send the flares to the boys upstairs
See if I care, oh. See if I care
I'd grin before, but no more
We don't go there
Could you promise me
forgiveness within this scene?
Are you proud of me?

Yeah if you want me to, I'll lie through my teeth
Pressed on your chest are the hands of someone like
me
Yeah if you want me to, I'll want you too

This is who we are
This is who we are
This is who we are
This is who we are
